

Compare your vehicle offers

Record actual offers for the same car, condition and location. This worksheet does not estimate a price or choose a buyer.

Vehicle / condition / pickup location: _____

What you compare	Offer A	Offer B	Offer C
Buyer or business			
Quoted amount (CAD)			
Offer date and expiry			
Vehicle condition assumed			
Inspection and possible changes			
Towing and loading			
Separate costs or deductions			
Payment method and timing			
Collection appointment			
Documents and release			
Amount confirmed after inspection			
Questions still unresolved			

Resolve unanswered questions before accepting the sale. Keep the original quote and the inspected amount as separate records.
